

Everyone is Welcome to attend

Orthopedic injuries Seminar

Friday, March 15, 2024. 5:30PM

featuring

Dr. Gary S. Brown, DVM

Have questions about cruciate injuries, patellas, broken bones?

Everyone is welcome to attend a seminar by Dr. Gary S. Brown, DVM, well known for innovative, sensitive care he gives to dogs that have unfortunate accidents resulting in injuries. A skilled surgeon, he is able to achieve extra-ordinary results on even the most difficult of breaks. Due to his excellent reputation Dr. Brown sees patients from all over the country at his animal hospital located in Princeton, West Virginia. Dr. Brown not only specializes in orthopedic work, he is also a leading clinician dedicated to the total care of the dog.

Join us on Friday evening, March 15, 2024 at 5:30 PM to hear Dr. Brown discuss the methods he uses to repair fractures in all breeds of dogs. He will also address topics of special interest and take questions from the audience.

With his creative, smart explanations and fun personality people from all breeds are sure to have a great time as they gain insight into Dr. Brown's incredible work.

Saturday, March 15, 2024, 5:30 pm

York Interstate Fairgrounds main building

Refreshments will be offered. **Seminar is free**, but donations will be happily accepted.
